Key features of the SCHÜTTE AFRICA toilet seat

- Toilet seat for all standard-sized WC bowls.
- The double soft-close mechanism ensures that the toilet seat closes slowly and quietly
- Removable toilet seat with a practical quick-release technology for fast and hygienic cleaning of the ceramic.
- Thanks to the Duroplast material, which is extremely resistant to breakage and scratching, the toilet seat is particularly durable.
- Thanks to its smooth surface, the toilet seat is particularly easy to maintain and clean.
- Additional fastening technology with adhesive pads prevents the toilet seat from slipping.
- EASY INSTALLATION: Top mounting with tilting toggle anchor

Duroplast

The toilet seat is made of Duroplast composite material. Exceptional strength and durability are ensured thanks to the combination of thermosetting plastic and fibers.

SOFT-CLOSE

The toilet seat is equipped with a SOFT-CLOSE system. When lowered, the seat smoothly descends without any risk of damage or unwanted noise. Ideal not only for families with children.

Easy installation

The assembly is very simple, with the help of the attached instructions, anyone can do it in 5 minutes.
