One of the most well-known manufacturers and suppliers of bathroom accessories is **EISL Sanitary GmbH**, whose existence dates back to 1980. The company's motto is: a reliable partner for everything related to kitchens and bathrooms. Products made of high-quality materials that meet drinking water requirements.

Luxury **Aquastar shower set** in a refined design will capture the attention of your bathroom.

The set contains a **large-format stainless steel shower** (height approx. 100 - 130 cm). A rain shower for pure showering pleasure.

Shower system without battery with a design **hand shower with three jet** variants (gentle droplets like spray, massage jets and combined flow).

Both the overhead and hand shower are **equipped with anti-scale spikes**. Cleaning and removing limescale is very easy. Just wipe it.

Stylishly integrated button switch in the shelf for easy switching between overhead and handheld

shower. A very pleasant addition is the white shelf that you can use for storing shower gel, shampoo, etc.

If you are considering buying a new shower set because you are afraid of drilling new holes in the wall for installation, our shower set is the right choice! **Innovative wall mount** for use in existing drilled holes.
