## Key features of the SCHÜTTE FALLEN LEAF toilet seat

- Toilet seat for all standard-sized WC bowls.
- Duroplast toilet seat FALLEN LEAF, with soft-close mechanism
- The double soft-close mechanism ensures that the toilet seat closes slowly and quietly
- Thanks to the Duroplast material, which is extremely resistant to breakage and scratching, the toilet seat is particularly durable.
- Thanks to the smooth surface with pores, the toilet seat is particularly easy to maintain and clean.
- It includes complete assembly materials for quick and easy installation of the toilet seat.

## Duroplast

The toilet seat is made of Duroplast composite material. Exceptional strength and durability are ensured thanks to the combination of thermosetting plastic and fibers.

## SOFT-CLOSE

The toilet seat is equipped with a SOFT-CLOSE system. When lowered, the seat smoothly descends without any risk of damage or unwanted noise. Ideal not only for families with children.

## **Easy installation**

The assembly is very simple, with the help of the attached instructions, anyone can do it in 5 minutes.
