Key features of the SCHÜTTE MOSAIK BLAU - ORANGE toilet seat

- Toilet seat for all standard-sized WC bowls.
- The double soft-close mechanism ensures that the toilet seat closes slowly and quietly
- Thanks to the Duroplast material, which is extremely resistant to breakage and scratching, the toilet seat is particularly durable.
- Thanks to the smooth surface with pores, the toilet seat is particularly easy to maintain and clean.
- It includes complete assembly materials for quick and easy installation of the toilet seat.

Duroplast

The toilet seat is made of Duroplast composite material. Exceptional strength and durability are ensured thanks to the combination of thermosetting plastic and fibers.

SOFT-CLOSE

The toilet seat is equipped with a SOFT-CLOSE system. When lowered, the seat smoothly descends without any risk of damage or unwanted noise. Ideal not only for families with children.

Easy installation

The assembly is very simple, with the help of the attached instructions, anyone can do it in 5 minutes.

DUROPLAST

Duroplast WC-Sitze werden im Pressverfahren hergestellt. Die resultierende massive, stützgebildete Materialstruktur ist bruchresistent und kratzfest. Die porzellanweiße Oberfläche macht die Pflege leicht.

LEICHT ZU REINIGEN

REISEN/AUTOMATIK

Als Reiseautomat gilt die innovative Absenkschlossmechanik. Ein Akkumulator, der man nicht mehr nachladen muss, steuert die Funktion. Auch ohne Netz oder WC-Spülen funktioniert. Durch die innovative Konstruktion schließt sich der Deckel ganz von selbst und ist fest damit auch dem nächsten Mal.
