The luxury European premium brand **Villeroy & Boch** dates back to 1748. It is represented in more than 125 countries worldwide with its products. Villeroy & Boch is an innovative company with a long tradition - it is one of the most important brands in Germany, Europe, and the world. As a ceramics manufacturer, it has evolved into an international lifestyle brand.

The name Villeroy & Boch represents a synonym for beautifully crafted ceramics. This also applies to the model of the Architectura 860.0 kitchen sink. A magnificent ceramic single sink, the Architectura 860.0 with a drip tray from the brand Villeroy & Boch. The classic design of the sink with a modern touch perfectly complements a wide range of interior styles. Thanks to its harmonious lines, it blends seamlessly in kitchens with both urban and rural styles. It will give your kitchen a personal touch and a perfect overall appearance.

The designers of the Architectura 860.0 sink thought of everything, practically all common activities revolve around the sink, such as washing fruits and vegetables, draining pasta, filling a vase with water. The sink is therefore not only beautiful but also offers a number of advantages. **Practical draining area** for maximum functionality in the kitchen. Whether you are washing large pots or baking trays, delicate glassware - the integrated drainer provides a practical space where you can let the dishes dry and the water simply drains back into the sink.

The advantage of a ceramic sink is its **easy maintenance**, color stability. Neither long-term exposure to sunlight nor even aggressive materials will change the color or surface of the sink. The Architectura 860.0 kitchen sink is made of high-quality ceramics, making it highly resistant to heat and cold, and even common household acids leave no traces. In addition, the **Ceramic Plus** surface finish guarantees excellent hygiene and easy cleaning. These are advantages that you will appreciate in your everyday kitchen activities. The time spent in the kitchen will thus become a real pleasure.
